## Event Details

It is in this generation's to empower women and humanity along with millions of people around the world. The world has witnessed a significant change and attitudinal shift in both women's and society's thoughts about women's equality and emancipation. International Women's Day is celebrated in the world over, every year on the eight day of March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. Its root lies in the early 1900s when oppression and inequality was spurring women to become more vocal and active in campaigning for change. Women Grievance Cell (WGC), GNIOT (Engg. Institute) celebrated International Women's Day (SHRISHTI) 2023 for teaching and non teaching female staff members on 1<sup>st</sup> March 2023 from 1-PM to 4-PM to give the honor and achievements to contribution of women's in our society. This program will be preceded with lot of motivational and cultural programs with all the female staff members.

## Preparation of the Event

Preparation of Women's Day Programme had started immediately after the approval by board of management. The approval for the Women's Day Programme was sought almost for weeks in advance. The circular was circulated among all the teaching and non teaching ladies for their information. The Seminar Hall at first floor in main block was booked well in advance.

## Conception

International Women's Day is celebrated in the world over, every year on the eight day of March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. It's root lies in the early 1900s when oppression and inequality was spurring women to become more vocal and active in campaigning for change.
