FOUNDER'S DAY

(Saturday, February 18, 2023)

GNIOT Group of Institutions celebrated the **Founder's Day** of the Group, on 18th February 2023 to mark the birth anniversary of the beloved **Founder Chairman of GNIOT Group of Institutions, Late Shri Krishan Lal Gupta ji**, who was a visionary and a philanthropist. He valued the importance of education for a progressive society and had been the pillar of strength for all.

The event began with the warm welcome & felicitation of our Hon'ble Chairman, Dr. Rajesh Kumar Gupta and Hon'ble First Lady of the GNIOT Group of Institutions, Mrs. Sapna Gupta. The Hon'ble Dignitaries offered prayers to Goddess Saraswati & flowers to our Hon'ble Founder Chairman.

Following the auspicious beginning of the event, students from the following Institutions of the Group – GNIOT Engineering Institute, GIPS, GIMS, GNIOT-MBA Institute & GNWS presented their performances. Dr. Savita Mohan, Hon'ble Principal, GIPS enlightened the audience with the life history of the Founder Chairman.

The day also comprised of Prize Distribution Ceremonies for students, as well as faculty & staff members to congratulate them on their consistent efforts throughout the academic year 2021-22.

The students were awarded for academic excellence, high attendance records, & their contributions to the Cultural, Social & Technical Clubs of their respective institutions. The faculty members were given due credits for their hard work in the fields of research work, book publishing, institutional contribution and dedicated long service among many others.

The event successfully aimed to bring the students, staff members, faculty members closer to the foundation of GNIOT Group of Institutions.

INAUGURATION CEREMONY OF SHRI RAM CENTRAL LIBRARY (Friday, February 17, 2023)

The Inauguration Ceremony after the renewal of “Shri Ram Central Library” was held on 17th February, 2023 in the presence of Chairman, Vice-Chairman, CEO-GIMS, Group Registrar, Vice President, Head Placement, All Directors, Deans, HoDs, Faculty and Staff members of various Institutes of GNIOT Group of Institution.

The program started with the Ribbon cutting ceremony, followed by unveiling the Photos of Late Shri Krishan Lal Gupta ji, Founder of GNIOT Group of Institution and Dr. S.R. Ranganathan, father of the Library Science. Dr. Dhiraj Gupta, Director of GNIOT welcomed all the dignitaries and guests of the program. In his speech the Director gave a brief introduction of the Library. After this Chairman of the Group,

Dr. Rajesh Kumar Gupta Ji announced the opening of the Library facility in the campus in 24*7 manners. He appreciated the Staff and Faculty members who avail the Library resources in the best manner with a token of appreciation. Also he appreciated the effort of the entire Library Staff and Head Librarian for providing the services in the best manner to students and staff members.

Mr. S.D. Nautiyal, Head Librarian presented the highlights about the Library resources available in the Library for the usage of all Students, Faculty and Staff members. The program ended with the vote of thanks provided by Dr Shweta Tyagi, Professor I/C of the Library

SPARDHA 2023
(Saturday-Thursday
February11-16, 2023)

GNIOT, the annual sports festival "SPARDHA-2023" was organized successfully from 11th to 16th February 2023 at the GNIOT Campus.

Mainly, 12 games such as 100 meters race, 200 meters race and various track events including football, Badminton, Volleyball, Kho-Ko, Kabaddi, Basketball, Javelin Throw, Tug of war and cricket etc. were successfully conducted for boys and girls in SPARDHA 2023, from 11th to 16th February, which included knock-out matches, semi-finals and final matches.

Valedictory function of the event was organized with prize distribution to the students on 16th February 2023.

The program started with the lamp lighting by Hon'ble Chief Guest-**Dr. Rita Jairath** (one of India's leading female athletes), Hon'ble Chairman -**Dr. Rajesh Kumar Gupta ji**, Hon'ble Vice Chairman- **Mr. Gaurav Gupta ji**, CEO – GIMS - **Mr. Swadesh Singh**, Director GNIOT- **Dr. Dhiraj Gupta**, Dean Academics -**Dr. Sanjay Katiyar** and Dean Student Welfare- **Dr. Iqbal Ahmed Khan**.

Dr. Rita Jairath (Chief Guest) in her address gave her blessings to all the participants and motivated the students and encouraged for maximum participation in sports.

The Hon'ble Chairman of GNIOT -Group of Institutions, **Dr. Rajesh Kumar Gupta ji** congratulated all the winners and the participants on the successful completion of annual sports meet, SPARDHA -2023.

Further, Dr. Dhiraj Gupta, in his address, congratulated the winners of various games. He emphasized on the significance of sports in life. He also told students sports is a great way to become physically fit, to have fun and understand co-existence with peers. It is also a great way to inculcate the values of sportsmanship and teamwork.

NATIONAL SCIENCE DAY CELEBRATION

(Tuesday, February 28, 2023)

On 28th February 2023, Greater Noida Institute of Technology celebrated National Science Day to revere the contributions of Nobel Laureate Sir C.V. Raman in the field of elastic and inelastic collisions of light.

The day began with the welcome of a renowned scientist **Shanti Swarup Bhatnagar Awardee and Former Professor of IIT Delhi, Professor Kehar Singh**. Along with him, honourable **Vice Chancellor of the Gautam Buddha**

University Professor R. K. Sinha also graced the occasion.

Later in the 2nd half of the day, Guest of Honour **Advisor and Scientist-G Professor S. K. Varshney** joined the function. All guests kindled the lamp and officially declared the function open.

Professor Kehar Singh delivered a celebrated talk on the life and achievements of Sir C. V. Raman to provide the audience with a close interface with his struggles and capacities to overcome challenges. Professor

R. K. Sinha encouraged all research awardees for the academic session 2021-22 to keep doing better. He also expressed his affectionate relationship as a mentor to GNIOT and stressed that society will always expect big from GNIOT due to its long-standing in the field.

After the celebrated talk by Professor Kehar Singh, all research awardees met him personally in two groups and captured this lifetime moment using photographs. After that, Professor Kehar Singh visited the exhibition area where undergraduate students from 2nd year onwards demonstrated their projects using prototypes and software model-based. Professor Singh was keen on knowing each piece of work and interacted with almost every student. In the second half of the day, Professor Sanjeev Kumar Varshney interacted with the students and faculty members and enlightened the crowd with a new policy Science, Technology, and Innovation Policy that he has drafted. The audience was

thrilled to learn the unfolding of mysteries behind complex funding opportunities and requested Professor Varshney to pay his next early visit for a longer duration.

After the key address about the STIP, Professor Varshney was requested to inaugurate the **Idea Incubator Zone** in GNIOT Group of Institutions and dedicated the facility to all users by wishing everyone good luck to emerge as capable and skilled individuals in their lives to serve the nation's best. Director Professor Dhiraj Gupta expressed gratitude towards all special guests and paid sincere thanks for their visit to GNIOT.

National Science Day-2023: Research Acceleration Awards

Thirty-Nine (39) faculty members and students claimed their research incentives under the Research Policy guidelines effective from session 2020-21.

List of awardees:

- Dr. Bhuvnesh Khokhar
- Mr. Abhishek Saxena
- Ms.Uma Tomar
- Dr. Ajay Kumar Sahu
- Dr. Deepak Kumar Verma
- Ms.Minakshi Awasthi
- Ms.Pragya
- Ms.Vasudha Tiwari
- Dr. Mukesh Kumar Ojha
- Mr. Shiv Narayan Gupta
- Dr. Anil Kumar Dubey
- Dr. Kapil Tyagi
- Dr. Shweta Tyagi
- Mr. Priyesh Tiwari
- Mr. Horesh Kumar
- Dr. Indradeep Verma
- Dr. I.A.Khan
- Dr. Shipra Srivastava
- Dr. Moti Singh
- Mr. Gagan Varshney
- Mr. S.Q.Hussain
- Mr. Girendra Bhati
- Mr. Anuj Dixit
- Dr. B.S.Chauhan
- Mr. Ashwini Verma
- Dr. Shivani Dubey
- Mr. Vikas Singhal
- Dr. Amit Kumar Agrawal
- Ms. Pooja Sharma
- Ms. Rachana Singh
- Ms. Sugandha Chakravarti
- Md. Aslam (Student)
- Md. ShahoodAlam (Student)
- Aatif Waquar Quasmi (Student)
- Shadab Ali (Student)
- Pranjal Tigga (Student)
- Bassam Salim (Student)
- Arti Gupta (Student)

The incentive included a monetary stipulated amount along with a certificate of **Research Acceleration Award**. The awardees received this honour by prominent Scientists in the field **Professor Kehar Singh**, Shanti Swarup Bhatnagar Awardee and former HoD-Physics at IIT Delhi and **Professor R. K. Sinha**, Vice Chancellor

Gautam Buddha University and by a renowned policy maker **Professor S. K. Varshney**, Advisor and Scientist-G from Department of Science & Technology, Government of India.

At the end of the program, Dean R&D Dr. Vaibhav Shrivastava presented a vote of thanks to everyone and challenged them to emerge as research awardees in large numbers for the next academic year. The whole program was nicely anchored by faculty members Dr. Monika Dixit and Dr. Sandhya Mishra.

VISIT TO INTERNATIONAL TRADE FAIR

(Thursday, February 2, 2023)

Students of B. Tech. visited the International Trade Fairs exhibition event. These exhibitions are where companies and manufacturers showcase their latest products and services related to construction machinery, building material machines, mining machines and construction vehicles.

These events provide a platform for companies to showcase their innovations, launch new products, and establish business relationships with potential customers and suppliers.

Students had the opportunity to interact with industry experts, see the latest products and technologies, and gather information about new trends and developments in the industry.

ALUMNI TALK ON POST B. TECH. CORE FIELDS PROSPECTS.

(Monday, February 6, 2023)

The Electrical Engineering (EE) department successfully organized an alumni talk on **Post B. Tech. Core Fields Prospects. Mr. Sandeep Maurya, an alumnus of 2015** batch of the department was the guest speaker of the event. Mr. Maurya is presently working as is **Project Manager with Johnson Construction India Pvt. Ltd.**, sector 44, Gurugram. He illuminated the students of EE 2nd year with his immense knowledge about fire alarm, door security alarm, theft alarm, and various associated services. The students found the event to be very interactive and requested for more such informative event to be conducted in the near future. Mr. Sanjay Rawat was the moderator during the event.

INDUSTRIAL VISIT TO EL-COMPONICS AEROB TECHNOLOGIES INDIA PVT LTD

(Tuesday, February 7, 2023)

DRONE industry offers a broad market overview and convinces with profound studies on trends and application areas of Defence. Getting updated with this is considered as one of the tactical methods of teaching. The Department of Electronics & Communication Engineering organized a one-day industrial visit to El-componics Aerob Technologies India on 7th February, 2023. Ms. Tanmeet Kaur and Mr. Harvinder Singh along with students of ECE 2nd year visited- El-componics Aerob Technologies India Pvt Ltd, Noida.

Mr. Vivek Pandey (Vice President, Business Development) thoroughly elaborated the concept of designing PCB for drones and aerial systems. Mr. Jayant (Program Manager R& D) explained each and every phase of manufacturing of Drones, UAV

platforms for Defence Loitering aerial systems. The whole visit was meaningful, knowledgeable, and Informative from academic point of view for ECE students.

VISIT TO 71 INDIAN FOUNDRY CONGRESS AND INTERNATIONAL FOUNDRY & EQUIPMENT EXHIBITION

(Wednesday, February 8, 2023)

The students of Civil Engineering and Mechanical Engineering went for a visit to The Indian Foundry Congress event. The Indian Foundry Congress (IFC) is a major event for the foundry industry in India, providing a platform for companies to showcase their products and services, and for industry professionals to network and exchange ideas. The event typically included technical sessions, exhibitions, and demonstrations of the latest equipment and technologies.

WORKSHOP ON INDUSTRIAL AUTOMATION

(Thursday, February 9, 2023)

The Electrical Engineering (EE) department organized a workshop on industrial automation on 9th February in 2nd floor seminar hall of GNIOT.

The key speaker was Md. Zafar Ali, the Director of Auto InfoTech A. R. Pvt. Ltd., Sector-2, Noida. He illuminated the B. Tech. students of branches EE, EC, ME, and CE branches with his immense knowledge of PLC, SCADA, and other industrial automation techniques.

Dr. Jitendra Sharma (EE) was the moderator of the event. Mr. Sanjay Rawat (EE), Mr. Aneep Kumar (EE), Mr. Ajay Singh (EE), Mr. Shivnarayan Gupta (EC) was also present during the workshop. Overall, the workshop was quite helpful for the students as well as for the faculties.

EXPERT TALK ON PROCESS OF INNOVATION DEVELOPMENT & TECHNOLOGY READINESS LEVEL (TRL) AND COMMERCIALIZATION OF LAB TECHNOLOGIES & TECH TRANSFER

(Thursday, February 9, 2023)

Department of Computer Science and Engineering in association with Institutions innovations council organized expert talk on “**Process of Innovation Development & Technology Readiness Level (TRL) and Commercialization of Lab Technologies & Tech Transfer**” for the 2nd-year students on 9th February 2023.

Resource Person, **Mr. Shishir Tripathi**, Business consultant, **Tatkshan AQL Pvt. Ltd. Noida.**, delivered a talk for the students and also explained the various steps for converting the ideas into product .

The main objective of this expert talk was to discuss –Generating Ideas, capturing ideas, beginning innovation, developing a business- effectiveness strategy, Applying Business Improvement etc.

The aim of this expert talk was to provide a platform for CSE department students to inculcate the thinking capability for solving the problem of daily life to specific problem of computing. Around 94 students attended the expert talk.

The Department extended a heartfelt thanks to GNIOT Management and Dr. Dhiraj Gupta, Director-GNIOT, Dr. Anuranjan Mishra, Dean (IIC) for giving the opportunity to organize this event. The Department also thanked Dr. Sandeep Saxena (HOD-CSE) for his valuable inputs and necessary support.

EXPERT TALK ON INTERNATIONAL DAY OF WOMEN & GIRLS IN SCIENCE (Friday, February 10, 2023)

"Be curious, be brave and be fair – To yourself and to others. Then anything is possible."

Under the profound guidance of the **Director Dr. Dhiraj Gupta and HoD-CE Dr. Shiv Kumar**, the **Department of Civil Engineering (Nirman Club)** has successfully organized the Expert Talk on **'International Day of Women & Girls in Science'** on 10th February 2023. This day is an annual observance adopted by the United Nations General Assembly to promote the full and equal access and participation of females in Science, Technology, Engineering and Mathematics (STEM) fields.

The United Nations General Assembly passed resolution on 22 December 2015, which proclaimed the 11th day of February as the annual commemoration of the observance.

The International Day of Women and Girls in Science is implemented annually by UNESCO in collaboration with UN Women, to promote the role of women and girls in scientific fields and celebrate those already successful in the field.

The expert speaker for the event was **Dr. Neetu Rani, Assistant Professor, GGSIPU, New Delhi**. She shared many motivational stories and case studies of women scientists & researchers with us. She also shared about her work 'Wastewater treatment through constructed wetlands', which was truly extra-ordinary. We also extend a special thanks to Dean R&D, Dr. Vaibhav Srivastava for his presence during the seminar.

EXPERT TALK ON PROCESS OF INNOVATION DEVELOPMENT AND TECHNOLOGY READINESS LEVEL

(Friday, February 10, 2023)

Department of CSE-AIML & CSE-IOT in association with Institutions Innovations Council (IIC) organized Expert Talk on Process of innovation development and technology readiness level for the B. Tech 2nd -year 3rd semester students on 10th February 2023.

Resource Person, Mr. Abhishank Jain delivered a talk for the students and explained the various steps for converting the ideas into product.

Mr. Abhishank Jain described the way to generate the innovative ideas (by asking questions, thinking in an associative way, putting those ideas into mock test) to evaluate the feasibility of implementation of those ideas, product development steps and also how to sell the product with the help of

some case studies. Mr. Abhishank Jain discussed several examples and case studies of automobile companies.

The aim of the event was to provide a platform for CSE-AIML & IOT department students to improve and demonstrate their Innovative skill by thinking a problem and related sub problems and at last integrate their solution in a feasible manner.

The students extended a heartfelt thanks to GNIOT Management and Dr. Dhiraj Gupta, Director, for giving them the opportunity to organize this event. They also thanked Dr. Amit Kumar Agarwal (HOD-CSE-AIML) and Dr. Inderdeep Verma (HOD-CSE-IOT) for their valuable inputs and necessary support. Dr. Nancy Gupta and Mr. Amrish Dubey were the faculty coordinators of the event.

WORKSHOP ON DATA ANALYTICS USING PYTHON (Monday, February 13, 2023)

Under the profound guidance of the Director Dr. Dhiraj Gupta and HoD-CSE Dr. Sandeep Saxena, the Department of Computer Science and Engineering and (Tech Club) successfully organized the One-Day Workshop on 'Data Analytics Using Python' on 13th February 2023. The expert speaker for the event was Mr. Rohit Pahwa (Machine Learning Expert). Mr Pahwa delivered practical knowledge enhancement session on a given data set that run on anaconda software. He also discussed the differences between AI, ML and Data Analytics platform, and also discussed various possibilities of data analytics process.. This workshop was co-ordinated by Mr. Ravin Kumar, Placement Coordinator, CSE Dept

EXPERT TALK ENTITLED DevOPS PRACTICES USING AWS (Monday, February 13, 2023)

Department of CSE-IOT organized an expert talk entitled “**DevOps Practices using AWS**” for 2nd year and 3rd year students on **13th Feb, 2023** onwards under the guidance of **Prof. (Dr.) Dhiraj Gupta**, Director GNIOT-132, **Prof. (Dr.) Sanjay Katiyar**, Dean Academics and **Dr. Indradeep Verma**, HoD CSE-IoT Department. The aim of this event was to clarify some tenets of Cloud Computing Technology. Cloud computing technology allows people to use digital resources stored in virtual. It allows people to share information and applications without being restricted by their physical location

The eminent speakers for the talk were, **Mr. Vikas Kaushik, VP of Technology at Value Coders** discussed uses of Cloud and **Mr. Gautam Tripathi, Expert Value Coders** gave live demonstration of various tools like DevOps. The session was immensely informative and was a great learning experience for all students. The students interacted with the guests who answered their queries.

WORKSHOP ON INTERNET OF THINGS USING ARDUINO TOOLS & TECHNIQUES”

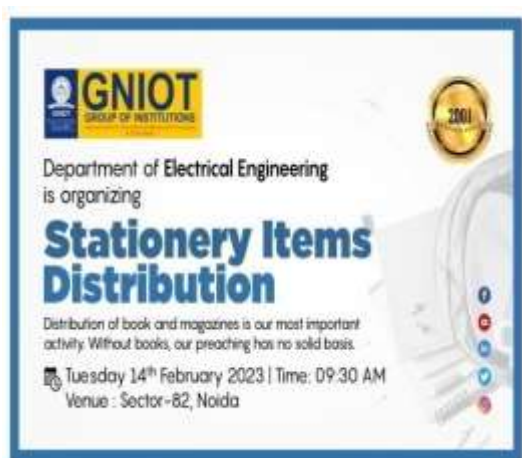

(Monday, February 13, 2023)

“The beautiful thing about learning is that nobody can take it away from you.” keeping this in mind Electronics and Communication Engineering department organized a one- day workshop on **'Internet of things using Arduino: tools and techniques '**.

The resource person was Mr. Ravinder Mishra from Sofcon India Pvt Ltd. Sofcon India Pvt. Ltd. is NSDC (National Skill Development Corporation), MSDE (Ministry of Skill Development & Entrepreneurship-Govt. of India) Affiliated & Funded Company. Sofcon is also affiliated with ESSCI (Electronic Sector Skill Council), IASC (Instrumentation Automation Surveillance & Communication Sector Skill Council) & HSSC (Healthcare Sector). Around 40 students from ECE participated in this workshop. Workshop included the basic concepts of IOT and its application. Students did hands-on practice of Home Automation, interfacing of Bluetooth, wifi modules. They demonstrated practical knowledge of AVR, PIC, Arduino with students. The whole session was very informative Knowledgeable & appreciable.

DISTRIBUTION CAMP

(Tuesday, February 14, 2023)

“Happiness doesn't result from what we get but from what we give.”

The Electrical Engineering (EE) Department organized a stationery items distribution camp at S.B. Memorial School, Sector-82, Noida on 14th February 2023.

Mr. Ajay Singh (Asst. Prof.) and Mr. S. P. Gupta (Lab Technician) escorted the students of B. Tech. (EE) department to the primary school and distributed note books and other stationery items to the kindergarten students.

PEER TRAINING ON THE TOPIC “REACT JS”

(Tuesday, February 21, 2023)

GNIOT-CSE Tech Club Organized Student Peer Training on “REACT JS” under the aegis of Department of Computer Science & Engineering from 20th to 24th February, 2023. The peer training was delivered by Mr. Rohan Kakkar, B.Tech. (CSE-4th Year), and Mr. Shashank Chaurasia B.Tech. (CSE-4th Year). Student coordinator of this peer training was Mr. Ritik Jain B.Tech. (CSE-4th Year). On this occasion Dr. Sandeep Saxena welcomed the trainer, guests and participants. He also highlighted the importance and presence of REACT JS across the globe in the field of software development. Dr. Dhiraj Gupta, Director,

GNIOT motivated students to inculcate a culture of peer tutoring and mindset of problem-solving. This peer training was coordinated by Mr. Ashwini Kr. Verma, Assistant Professor (CSE) and Faculty In-charge of GNIOT-CSE TechClub.

At the end of the one-week training, students had a good understanding of the basics of React JS. They were able to create simple React applications with components, props, and state. They also learned how to use JSX to render HTML elements in React and how to handle events. Furthermore, they learned about the React lifecycle methods and how they can be used to manage component state and perform certain actions at specific points in the component's life cycle.

CODING COMBAT **(Tuesday, February 21, 2023)**

The Department of B. Tech First year (Group A) successfully organized a coding competition called “Coding Combat “based on C Programming for Group A students today on 21.2.2023 from 3 pm onwards.

A huge response was received from the students which reflected their interest, enthusiasm and passion to compete and excel.

There were 140 registrations out of which 80 shortlisted candidates competed with each other. The event was conducted parallel in 4 computer labs and evaluated on Hackerank. The event was organized under the able guidance of Dr. Dhiraj Gupta (Director GNIOT), Dr. Sanjay Katiyar (Dean Academics) and Dr. A.P Singh Dean B.Tech First Year (Group A). The event was coordinated by Ms. Vasudha Tiwari in association with Mr. Durgesh Narayan Singh (AP, CSE). The Top three rankers were awarded prize and certificates and the Top 30 students were awarded for outstanding performance. The prizes and certificates were given to the students by Director Dr. Dhiraj Gupta in the prize distribution ceremony.

The top three ranks were won by:

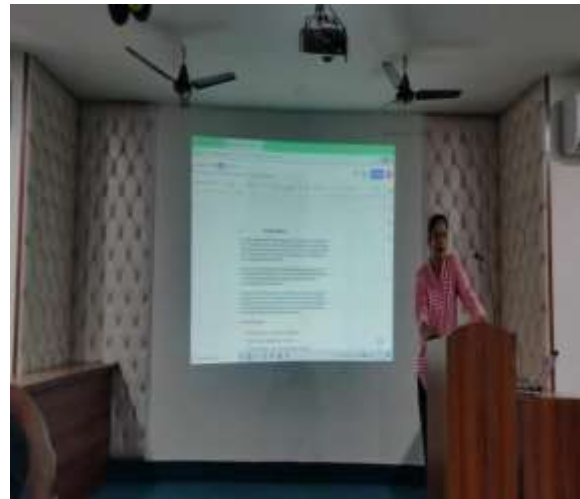

ROHIT GARG	(SECTION A3)	CS-IOT
SNEHA. B. PANDIT	(SECTION A1)	CS-AI
NITIN RAJ TIWARI	(SECTION A3)	IT

INDUSTRIAL VISIT TO ELECRAMA AT EXPO-MART (Tuesday, February 21, 2023)

The Electrical Engineering (EE) Department organized an industrial visit to ELECRAMA at Expo-Mart, Knowledge Park-II, Greater Noida on 21st February 2023. ELECRAMA is the flagship showcase of the Indian Electrical Industry ecosystem and the largest standalone show in the electrical and allied equipment industry and also the largest T&D show in the world. This visit provided very insightful knowledge to the students regarding latest trends in the electrical domain. Mr. Aneep Kumar (Asst. Prof.) and Mr. Ajay Singh (Asst. Prof.) escorted the students of B. Tech. 3rd year (EE) students to the venue.

GROUP DISCUSSION (Thursday, February 23, 2023)

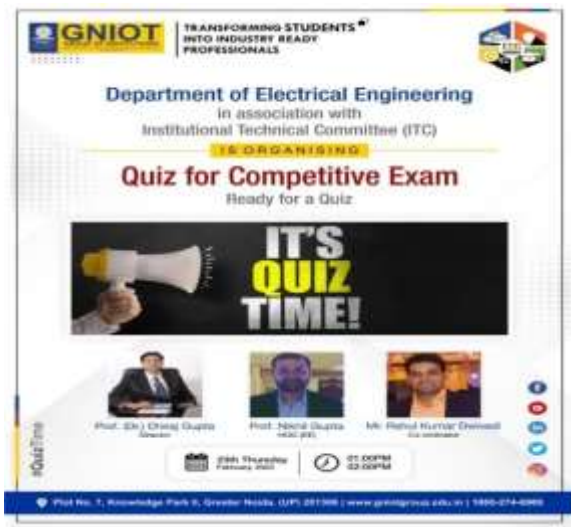

The Electrical Engineering (EE) Department organized a group discussion on a case study for B. Tech. EE 3rd year and EC 3rd year students on 23rd February 2023, in the ground floor seminar hall. The presenter was Ms. Perna Chauhan from Gazing Technosoft Private Limited, Sector-62, Noida.

The case study and the subsequent group discussion were very insightful and interesting. Dr. Jitendra Sharma moderated the event. Mr. Sanjay Rawat, Mr. Aneep Kumar, and Mr. Ajay Singh also attended the event.

TECHNICAL QUIZ ON COMPETITIVE EXAMS

(Thursday, February 23, 2023)

The Electrical Engineering (EE) department in association with Institutional Technical Committee (ITC) conducted a technical quiz on competitive exams on 23rd February 2023 in Room no. 209, GNIOT, Greater Noida.

The students of B. Tech. 3rd year of EE participated in the quiz. Mr. Rahul Dwivedi, (Assistant Professor, EE) organized and invigilated the event.

EXPERT TALK ON SIGNAL PROCESSING APPROACH FOR BRAIN COMPUTER INTERFACE (Friday, February 24, 2023)

“Wisdom comes not from age, but from education, training and practice”

Keeping this in mind Electronics and communication Engineering Department successfully organized a one-day expert talk on “Signal Processing Approach for Brain Computer Interface” on 24th February 2023. The expert of the talk was Dr. Rishi Raj Sharma, Assistant professor, Defence Institute of advanced technology DRDO, Pune, India. He explained each and every aspect where students can impose this technique in projects as it is the era of artificial intelligence where automation has key importance.

DEBATE COMPETITION (Monday, February 27, 2023)

The Department of Electronics and Communication Engineering successfully organised a Debate Competition on Monday, 27th February 2023, in the seminar hall. Students participated in large numbers in favour and against of the topic "Gender Equality". The activity intended to bring out the communication skills of students. The event was well coordinated by Dr. Monika DIXit, Ms. Bhawna Sachdeva and Ms. Sonam Sirohi. The event was judged by Dr. Nikhil Kumar, Ms. Shreeja & Dr. Shivani Dubey.
