ESSAY WRITING COMPETITION ON FUTURE OF SOLAR ENERGY IN INDIA

(17th January2023, Tuesday)

Renewable energy, the clean energy

With this notion the Electrical Engineering (EE) Department organized an essay writing competition on "Future of Solar Energy in India" on 17.01.2023. India's solar energy sector has experienced incredible growth during the last few years. India is one of the biggest electricity producers in the world yet it fails to fulfill its energy requirements. According to studies, by 2040, India's portion of the world's total primary energy demand is expected to approximately quadruple to 11%. Second year students of
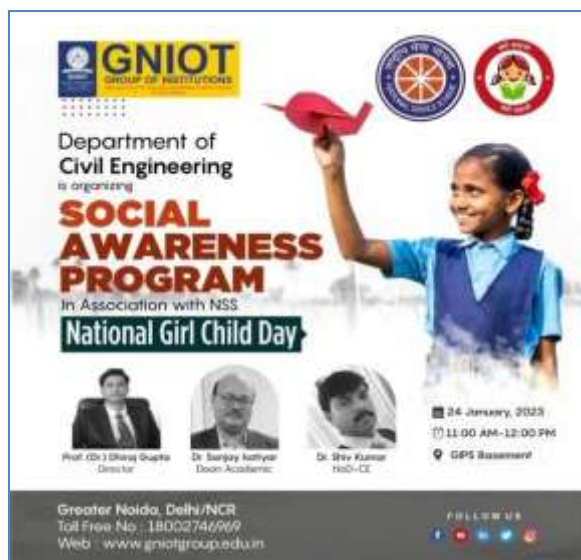

the department participated in the event with full zeal and wrote their thoughts and ideas on solar energy. Mr. Ajay Singh, Asst. Prof., EE was the event coordinator.
