PARWAAZ 2023

Saturday, May 27, 2023

If you're brave enough to say goodbye, life will reward you with a new HELLO

The Greater Noida Institute of Technology (Engineering Institute) organised a Farewell party "PARWAAZ 2023" in association with GNIOT Cultural Club for B.Tech and MCA Final Year students on 27th May 2023 in EXPO MART, Greater Noida.

The students of the Club welcomed the **Honourable Chairman of GNIOT Group, Dr. Rajesh Kumar Gupta Ji**, **Honourable Vice Chairman of GNIOT Group, Shi Gaurav Gupta Ji**, **CEO of GIMS, Shi Swadesh Kumar Singh**, **Director GNIOT (Engineering Institute), Dr Dhiraj Gupta**, **Director GNIOT (MBA Institute), Dr Anshul Sharma**, and other dignitaries. The mega Event started with Lamp Lightning to seek the blessings of Goddess Saraswati.

The Honourable Chairman of GNIOT Group Dr. Rajesh Kumar Gupta Ji congratulated the students and encouraged them to propel themselves towards their career.

Director, Dr. Dhiraj Gupta wished every student for achieving their miraculous placements and expect them to continue to cultivate their growth as they step out into their professional world.

The event was geared with the amazing performances by B. Tech and MCA students; that included dance, skit, singing, poetry, etc. These performances were then followed by the most awaited program of the day – Mr & Ms Farewell 2022-23 that was judged on the basis of the ramp walk, talent round and the question answer round.

The mentioned students grabbed the titles:
Mr. Farewell (B.Tech.)- Mr. Anmol Nigam (B.Tech.ECE)
Ms. Farewell (B.Tech.) - Ms Varsha Kumari (B. Tech,CSE)
Mr. Farewell (MCA)- Mr. Vaibhav Singh Yadav
Ms. Farewell (MCA) - Ms. Shreya Singh
There were other titles as well like Mr. and Ms. Popular, Face of the Departments, Mr. Handsome and Ms. Glamorous, Mr. and Ms. Personality.

The auditorium was geared up with DJ filling high energies and immense pleasure among all, with the stamps of amazing memories and fun.

The students enjoyed and thrilled up with the scintillating music of DJ SUIT UP that really made the event memorable and marvellous. The event was too magical that the students will keep the memories forever. The day ended by capturing memories with photo sessions.

NATIONAL INTELLECTUAL PROPERTY AWARENESS MISSION (NIPAM)

Tuesday, May 2, 2023

National Intellectual Property Awareness Mission (NIPAM) is an initiative of the Government's "Azadi ka Amrit Mahotsav". The pan-India ambitious mission aims to provide awareness on intellectual property and its rights to students. It aims to inculcate the spirit of creativity and innovation to students of higher education and ignite and inspire the students to innovate and protect their creations. Intellectual Property Rights

are the rights given to the persons over the creations of their minds or give the exclusive right over the use of his creation for a certain period of time.

The **Department of Information Technology** at GNIOT organized a session on "**National Intellectual Property Rights**" on 2nd May 2023 from 10:30 AM onwards at Seminar Hall. The Guest of the Session was Prof. (Dr.) B.K. Sarkar who is certified by NIPAM, Govt. of India and Associated with Intellectual Property Office, India. He is Founder (Project Director) Post.Doc. (Singapore), PhD. (CS) (IIT).

Ms. Uma Tomer, Assistant Professor, Department of Information Technology welcomed all delegates after the inauguration of the event Prof. Vikash Singhal delivered the wonderful Speech and motivated to students for patent ideas in continuation of speaker Dr. Anuranjan Mishra from Institute Innovation Cell, IIC, also motivated the students and informed various funding schemes under the banner of GOI for developing prototype model of idea after file patent, Prof. (Dr.) Sarkar, shared the experience and gave tips to generate new ideas and file patents.

At the end of the event Dr. Anand Kumar Dohare, event coordinator proposed the vote of thanks to all the participants and guests.

DEBATE ON INTERNATIONAL WOMEN'S DAY

Wednesday, May 3, 2023

Department of AIML, GNIOT organized a Debate Competition on the occasion of International Women's Day. The event aimed to bring out the ideas and thoughts into some creativity. The aim of this action was to spread awareness among all to respect the women.

SESSION ON INNOVATION AND STARTUP ECOSYSTEM

Monday, May 8, 2023

Lots of business ideas and students project waste due to lack of awareness about government schemes for startups and innovation.

The **Department of Information Technology** at GNIOT organized a session on **"Innovation and Startup Ecosystem"** on

8th May 2023 from 01:30 PM onwards at 1st floor Seminar Hall.

The Guest of the Session was Prof. (Dr.) Anuranjam Mishra. Dean IIRP, Chair Unnat Bharat Abhiyan President IIC, Head MSME Business Incubation-GNIOT Center (an Initiative of Ministry of MSME, Govt. of India) GNIOT, Gr. Noida. Chairman of Computer Society of India, Ghaziabad Chapter.

Dr. Anand Kumar Dohare, Event Coordinator, Department of Information Technology welcomed all delegates. Prof. Vikash Singhal, Head of IT Department delivered the wonderful Speech and motivated students for startups and Innovation ideas. Dr. Anuranjan Mishra from Institute Innovation Cell, IIC, elaborated various ideas for Innovation and startups and motivated the students.

WORKSHOP ON BUILDING THE LINE FOLLOWER, EDGE FOLLOWER & BLUETOOTH CONTROLLED ROBOT

Friday, May 12, 2023

The Department of Electronics & Communication Engineering in association with GNIX Technical Club organized one day workshop on “Building the Line Follower, Edge Follower & Bluetooth Controlled ROBOT” for their 2nd-year students on 12th May 2023.

Robotics combines a wide range of engineering specialties and abilities. Even the most basic robots involve the development of mechanical structures, electronics, electricity, and programming knowledge. Line follower robots also known as autonomous robots, are capable of detecting the path and actuate accordingly. The workshop was well coordinated by ECE 3rd year students, Anshuman, Nischay Aadarsh, and Vinay Thakur under the guidance of Mr. Shiv Narayan Gupta, Assistant Professor, ECE Department.

PROJECT EXHIBITION CUM COMPLETION

Thursday- Friday, May 18 - 19, 2023

Innovation is both about doing different things as well as doing things differently. Apart from theory students need to be good in technical aspects which can be possible only by doing Projects. Department of Electronics and Communication organized an event "Project Exhibition Cum Completion" on 18th-19th may, 2023.

Dr. Mukesh Ojha (HoD) and the other members of the department appreciated the Interdisciplinary project-based learning approach and encouraged students to work on collaborations. They also appreciated the ideas that students showcased and suggested them to move on towards startups. The event was well coordinated by Mr. Shiv Narayan Gupta and Ms. Bhawna Sachdeva.

GUEST LECTURE ON CYBER SECURITY AND ETHICAL HACKING

Friday, May 19, 2023

In GNIOT, the **department of MCA** organized Guest Lecture on **Cybersecurity and Ethical Hacking** for 1st and 2nd year MCA students on 19th May, 2023 from 2pm onwards.

Speaker of the event was Mr. Santu Purkait, Director of Netcamp Solutions Private Limited. The main objective of the lecture was to prevent unauthorized access, maintain a safe network, also to protect students' personal devices from attackers and hackers. The speaker shed light on subjects such as Phishing, Computer Networks, Network Security, Cyber Crime, Information Security, Business Continuity, Risk management, Entrepreneurship, an Innovation. After the Lecture, the queries of students were taken by the speaker providing them a platform for interaction.

A special thanks to Dr. Dhiraj Gupta (Director, GNIOT), Dr. Sanjay Katiyar (Dean Academics) and Dr K. Rama Krishna (HOD of MCA) was given by the department for their continuous support and motivation.

SOFTWARE COMPETITION BASED ON STAAD.PRO

Tuesday, May 23, 2023

Department of Civil Engineering, GNIOT Engineering Institute organized a Software competition based on **STAAD.PRO** on 23rd May, 2023. The event aimed to bring forth the awareness in the students in a very simple manner. It was a competition for the students to give them a platform to showcase their knowledge and learnings.

Such competitions are organized so as to develop the economical design concept and precise design method. By organizing & participating in such competitions, students become more confident & perfect, and it also fosters a sense of team spirit among students.

The winners of the event are as follows:

S.N.	POSITION	NAME
1	1 st	Md.Tauqeer Imam, Abhishek Thakur
2	2 nd	Farkhunda Mariam, Abhishek
3	3 rd	Soib Rizwan, Rajeev Ranjan

WORKSHOP ON CNC SIMULATION SOFTWARE

Tuesday, May 23, 2023

Department of Mechanical Engineering of GNIOT Engineering Institute, under the aegis of Tech Mechanizer and in association with Institutional Technical Committee organized a workshop on "CNC Simulation Software" for Mechanical engineering students on May 23, 2023 (Tuesday) from 11:00 AM to 1:00 PM in Room No.51.

The workshop was conducted by an expert **Mr. Rahat Chanana (Head Business Development)** and **Mr. Firoz from RenAn Technology Pvt. Ltd.**

The workshop was attended by 36 students of department along with faculty members. It was much appreciated by students as the simulator could enable them to make programme for making any product through CNC machines and check accuracy of program without worries of any losses. During the workshop, Mr. Firoz exposed the students to the NC Coding, Part Programming Simulation, Tool selection and its setting, workpiece selection tool path, tool offset, workpiece offset, making of 3-D Job drawings and output parameters of job etc.

Finally, Mr Rahat discussed with students about the job scenario in the field of CNC machining used in the modern industries. The Competition was inaugurated by the honorable **Director Prof. (Dr.) Dhiraj Gupta, Prof. (Dr.) Iqbal Ahamd Khan HoD(ME)** and Faculty members of the department.

WORKSHOP ON IC ENGINE

Wednesday, May 24, 2023

Department of Mechanical Engineering successfully organized a workshop on **Internal Combustion (IC) Engine** under the aegis of **Institutional Technical Committee**

and Tech Mechanizer's Technical Club on 24th May, 2023. Workshop was very helpful and beneficial for Mechanical Engineering students as it provided basic working knowledge of IC Engines which is the base of any automobile sector. Further, in this workshop student learnt and explored the assembly and disassembly of IC Engine components.

The main objectives of the workshop were:

- To provide knowledge of various types of engines, components, specifications and their working principles.
- To make the students aware about general concept associated with IC Engine like stoichiometry (Air-Fuel Ratio), ignition, combustion, cetane and octane rating.
- To provide information on current scenario related to pollution and emissions controls.
- To provide knowledge of different engine systems such as cooling systems and lubrication systems etc.

Furthermore, to make the workshop more practical and interactive an assembly and disassembly competition was also included.

The Competition was inaugurated by our honorable Director Prof. (Dr.) Dhiraj Gupta, Prof. (Dr.) Iqbal Ahamd Khan HOD(ME) and Faculty members of the department. The Competition was Conducted by Mr. S.Q. Husain and Mr.Sunit Kumar.

INDUSTRIAL VISIT AT MVR ALLOYS, BULANSHAHR

Wednesday, May 24, 2023

The Department of Electrical Engineering organized an industrial visit at “MVR Alloys, Bulandshahr” on 24th May 2023. The 2nd year students of B.Tech(EE) along with Mr. Rahul Dwivedi (AP, EE) and Mr. S. P. Gupta (Lab Tech., EE) visited the company. The students got the exposure of the atmosphere of company and also learnt about various casting techniques used in the industry.

A FIELD VISIT ON INNOVATION AND ENTREPRENEURSHIP

Wednesday, May 24, 2023

In GNIOT, the department of CE in association with Institutions' Innovation Council-IIC- Ministry of Education Initiative, organised a mentoring session on Self event on Innovation and Entrepreneurship- A field Visit for 2nd year students on 24 May, 2023 from 02:00PM to 3:00 PM. Mentor of the event was Prof. (Dr.) Shiv Kumar (Head CE) and Mr. Saurav Yadav Asst. Professor CE Department.

The objective of the event was to explain how to do surveying by using innovative instruments less with latest technologies to the students that focuses on developing entrepreneurs. Both of them shed light on topics like Surveying methodology, steps to successful entrepreneurs and validating business models. After the Industrial/field visit, the queries of students were taken by the mentor and faculty providing them a platform for interaction. Mr. Saurav Yadav was the moderator of the event. A special thanks to Dr. Dhiraj Gupta (Director, GNIOT), Dr. Sanjay Katiyar (Dean Academics) and Dr. Shiv Kumar (HoD of CE), for their continuous support and motivation.

WORKSHOP ON EMERGING TREND: DATA SCIENCE

Wednesday, May 24, 2023

In GNIOT, Department of MCA organized a Workshop on "Emerging Trend: Data Science" for 1st and 2nd Year Students on Wednesday 24th May 2023 from 11 AM on First Floor Seminar Hall.

The esteemed guest speaker for the event was Mr. Prem Kumar Bharti-Corporate Trainer, Blogic Software and Technology Pvt. Ltd. The Workshop gave an opportunity to learn how to demonstrate knowledge of statistical data analysis techniques utilized in business decision making. The speaker shed light how to turn data into information, and information into insights. After the Lecture, the queries of students were taken by the speaker providing them a platform for interaction.

BUSINESS MODEL CANVAS

Thursday, May 25, 2023

Dr. Mishra Enlightened them with the key aspects of innovations and business Development keeping in mind the end user.

ABSTRACT COMPETITION SCIENTIFIC PROGRAM (ACSP 2023)

Thursday, May 25, 2023

The poster features the GNIOT logo at the top left, followed by the Department of CSE-AIML logo. It states 'IS ORGANIZING: WORKSHOP on BUSINESS MODEL CANVAS'. A portrait of Dr. Anuranjan Mishra is shown on the right. Below the title, there are three small portraits of other speakers: Mr. Prem Kumar Bharti, Dr. Sandip Mishra, and Dr. Anil Agarwal. The event details are listed at the bottom: Thursday 25th May, 2023, 09:30 AM - 10:55 AM, Room No-130, GNIOT Greater Noida. Contact information for Greater Noida, Delhi/NCR is provided, including a toll-free number and website. Social media icons for Facebook, YouTube, and Instagram are also present.

The Department of CSE-AIML in association with GNIOT Institution Innovation Council (IIC) organised a workshop on Business Model Canvas for the 3rd year students on 25 May, 2023 from 9:30 AM to 10:55 AM. The objective was to encourage the students to design innovative products, services and technologies which is essential for the development of any nation. 51 students were present in the event.

Center Project & Research Committee organized an Abstract Competition Scientific Program on 25th May,2023, with the opportunity for students to submit and present their research data.

The students were encouraged to submit an abstract that addresses scientific questions, details, research observations or contains primary scientific data. Abstracts were peer-reviewed by the CPRC Team and short listed for oral or poster presentation.

WEBINAR ON INTRODUCTION TO EV

Friday, May 26, 2023

Total 61 team registered and 21 abstracts were accepted for final presentation round after the submission to CPRC, where total 40 students and 21 supervisors participated for final round of ACSP 2023 on 25th May 2023.

The Electrical Engineering department organized a webinar on topic “Introduction to EV”, on 26th May, 2023. The resource person was Mr. Manoj Pal (Production Manager), currently working at Electrotherm Limited, Ahmedabad, Gujarat.

The speaker illuminated the B.Tech. (EE) 2nd year students and faculty members of EE department about the present scenario and future scope of electric vehicles.

SPORTS ACTIVITY

Saturday, May 27, 2023

Sports activity in **Department of B.Tech. First year** was conducted on 26th May 2023. The activity included the indoor sports like Table-Tennis, Chess, Carrom and badminton. More than 100 students of B Tech first year registered in the various events. After the preliminary rounds, the results of the finals in various events were:

1. Badminton.

- Winner. Anish Kumar B4, CSDS
- Runner Up. Anurag. B1, CS

2. Chess.

- Winner. Amar. B7, CS
- Runner Up. Devansh. B1, CS

3. Table Tennis

- Winner. Anish Kumar. B4, CSDS
- Runner Up. Shreyansh. B3, CS

4. Carrom.

- Winner. Devansh. B1, CS
- Runner Up. Shaan, B5, CS

DRONES AND UNMANNED AERIAL VEHICLES (UAVs)

Tuesday, May 30, 2023

The **Department of Electrical Engineering** organized a workshop on “**Drones and Unmanned Aerial Vehicles (UAVs)**” on 30th May 2023. The agenda of the workshop was to know about basic introduction of the drones and UAVs, their classification, and their application areas. The different type of motors like, BLDC motors and coreless motors used in drones and UAVs were also discussed. The Resource Person of the workshop was Mr. Shivam, C.H.I.R.A.G. Technologies, Knowledge Park-III, Greater Noida. The Electrical Engineering Department, GNIOT, also signed a MOU with C.H.I.R.A.G. Technologies, Knowledge Park-III, Greater Noida for the industrial exposure of B. Tech (EE) students.

SESSION ON HOW TO PLAN FOR A START-UP AND LEGAL & ETHICAL STEPS

Tuesday, May 30, 2023

The **Department of Electrical Engineering** organized a session on “**How to plan for a start-up and legal & ethical steps**” 30th May 2023. The Resource Person of the session was Dr. Anuranjan Mishra, Dean (Innovation), GNIOT, Greater Noida. During the session, Dr. Mishra provided practical insights on planning for a startup and emphasized the importance of understanding legal and ethical considerations. The students were engaged in fruitful discussions, gained valuable knowledge and guidance for their entrepreneurial journeys.

MENTORING SESSION ON LEAN START-UP AND MINIMUM VIABLE PRODUCT OR BUSINESS

Wednesday, May 31, 2023

In GNIOT, the **Department of CSE-IoT** in association with Institutions’ Innovation

Council–IIC- Ministry of Education Initiative, organised a mentoring session on **Lean Start-up and Minimum Viable Product or Business** for 2nd year students on 31st May, 2023 from 11:00 AM to 12:30 PM.

Speaker of the event was Prof (Dr.) Anuranjan Mishra, Dean (IIRP), GNIOT. Around 50 students attended the event. The objective of the event was to explain the Lean Start-up approach to the students that focuses on developing products for which market already exists. Prof. Mishra shed light on topics like lean start-up methodology, 10 mistakes by Entrepreneurs and six steps to successful elevator pitch and validating business models.

After the Lecture, the queries of students were taken by the speaker providing them a platform for interaction. Dr. Nancy Agarwal was the moderator of the event.

QUIT TOBACCO (ON WORLD NO TOBACCO DAY)

Wednesday, 31, 2023

The WHO observes World No Tobacco Day every year on May 31. IT Second Year Students on this occasion took a pledge to raise awareness amongst the masses about the ill effects of passive and active use of tobacco products. They vowed never to smoke and consume any type of tobacco products in their lives. Students also prepared a Nukkad Natak which highlighted the bad effects of smoking and tobacco on human lungs. This issue is of immense importance in these Covid-19 pandemic times. On this occasion, the HoD-IT, Prof. Vikas Singhal said that colleges are the right places for raising awareness about these issues, as youth is the future of any country. Furthermore, he congratulated Dr. Pankaj Gupta and Students for regularly organising such events to sensitise other students about their role in generating awareness concerning socially relevant issues.

ALUMNI CORNER

ALUMNI TALK ON PRACTICAL SITE DETAILS OF CONSTRUCTION OF BEAMS, SLABS, & COLUMNS

Wednesday, May 24, 2023

Department of Civil Engineering in association with the Alumni Cell, GNIOT conducted alumni talk for the 2nd, 3rd, & 4th Year students.

Mr. Ratnakar Mishra (2014-2018), the alumni addressed the students about various job

opportunities after B. Tech and the new construction equipment and techniques used nowadays. He discussed participating, handling any project, and cracking the interviews.

Mr. Ratnakar discussed his projects and the problems they faced on their site during construction. Students are motivated and they also clear their lots of doubts with him.

ALUMNI TALK ON SKILL DEVELOPMENT

Friday, May 26, 2023

“Being an alumnus is not just a title, but a lifelong commitment to the growth and success of the institution.”

The Department of Information and Technology organized an Alumni Talk on "Skill development" on May 26th, 2023 10:00 AM onwards. The session was attended by IT 2nd year students. Session motive was to guide students about how to manage the routine for self-study after college hours and how to improve their skills in various areas for their professional career.

The guest speaker of the event was Iti Kaushik, Alumna of IT department of batch 2018- 2022. The event was attended by IT second year students and faculty members of IT. The event was hosted by Ms. Chandrika Kumari, student of IT 2nd year who highlighted the motive of the event and welcomed HoD-IT Prof. Vikas Singhal, IT faculties and all the students.

Ms. Iti discussed about SMART goals and how to achieve those goals. She also discussed common problems faced by students while starting regular practice of coding.

It was an interactive Question and Answer session and very motivational for all students. The event was organized under the leadership, motivation and guidance of the Director Prof. (Dr.) Dhiraj Gupta and HoD-IT Prof. Vikas Singhal and all the IT department faculty members. The event was successfully accomplished by the untiring efforts of faculty coordinator Ms. Ayushi and student coordinator Ms. Chandrika Kumari.

ALUMNI TALK ON PERSONAL BRANDING AND NAVIGATING PLACEMENT

Monday, May 29, 2023

Department of Electronics & Communication Engineering conducted an Alumni Talk for the students of 2nd, 3rd & 4th year of the department.

Mr. Saurav Jha (2016-20), is working as Early Engagement Manager at Baker Hughes (GE Oil and Gas). The alumni addressed the students on the topic "**Personal Branding and Navigating Placements**" on 29th May, 2023 from 10:30 am onwards. He encouraged students for internships and projects on priority basis. He discussed about how to handle and crack the interviews.

He also motivated the students to do extra efforts of completing the technical courses to be out of the crowd. The event was coordinated by Dr. Monika Dixit and Ms. Bhawna Sachdeva.

The entire session was very knowledgeable, very interactive and informative for both faculty and students.

PLACEMENT CORNER

PLACEMENT DRIVE WITH TIKONA INFINET PVT. LTD

Monday, May 1, 2023

The Department of Training and Placement successfully conducted Placement Drive with **Tikona Infinet Pvt Ltd** for the students of B.Tech.(ECE).

Tikona is one of the professional leading Telecom Company in India with its footprints in top 25 cities offering high-quality, cost-effective solutions to businesses across India. It has helped to meet the IT requirements of companies ranging from start-ups to Fortune 100 by utilizing best-of-breed technologies, rapidly deployable solutions and flexible engagement models.

GNIOT family congratulates Ujjwal Kumar of ECE for getting selected as trainee at a package of 4LPA.

PLACEMENT DRIVE WITH FIEM INDUSTRIES

Friday, May 5, 2023

The Department of Training and Placement successfully conducted Placement Drive with **FIEM INDUSTRIES** for the students of B.Tech. (ECE/ME). Fiem Industries Ltd. is a formidable name in the automotive lighting industry with 9 state of the art manufacturing plants, located in different states in India. The company is an OEM supplier to the most of the auto companies in India like Honda, TVS, Suzuki, Harley Davidson, Mahindra etc. The company is listed on BSE and NSE since 2006.

GNIOT family congratulates the following students for getting selected as Trainee at a package of 4.8 LPA:

S.N.	Name	Branch
1	Jaidyumna Arya	ECE
2	Rishabh	ECE
3	Ginni Kumari	ECE
4	Jayshree	ECE
5	Md Aslam Ansari	ECE
6	Rohit Kumar	ECE
7	Sanya Tyagi	ECE

PLACEMENT DRIVE WITH MERINO CONSULTING

Monday, May15, 2023

The Department of Training and Placement successfully conducted Placement Drive with **MERINO CONSULTING** for the students of B.Tech.(CSE/IT).

Merino is a versatile manufacturer and marketer of Interiors Solutions with a wide array of products for homes, offices, commercial and public areas. Decades of strong market presence have created a high brand recall among various customer segments. In Information Technology Services, **Merino Services Limited** is a Business Consulting and IT Services organization providing value-added services as a Partner-in-Progress with their esteemed customers and business associates.

GNIOT family congratulates Suraj Rastogi of IT department and Amit Kumar Singh of ME department for getting selected for Apprenticeship at a package of 2LPA.

PLACEMENT DRIVE WITH MAAS ENGINEERS

Tuesday, May 23, 2023

The Department of Training and Placement successfully conducted Placement Drive with **MAAS ENGINEERS** for the students of B.Tech.(EE). Maas established in 2017, is a well-established and technically competent organization in Environmental Pollution management areas working in pan India.

GNIOT family congratulates Waqar Ahmad Kumar of EE department for getting selected as Instrumental trainee at a package of 2LPA.

FACULTY ACHIEVEMENTS

Faculty Development Programs (FDPs)

- Dr. Mukesh Kumar Ojha, Associate Professor, ECE Department attended a FDP on AI & IOT in Biomedical Engineering organized by IIIT Bhagalpur from 02-05-2023 to 06-05-2023
- Dr. Monika Dixit, Assistant Professor, ECE Department attended a FDP on AI & IOT in Biomedical Engineering organized by IIIT Bhagalpur from 02-05-2023 to 06-05-2023
- Ms. Bhawna Sachdeva, Assistant Professor, ECE Department attended an FDP on AI & IOT in Biomedical Engineering organized by IIIT Bhagalpur
- Ms. Tanmeet Kaur, Assistant Professor, ECE Department attended a FDP on AI & IOT in Biomedical Engineering organized by IIIT Bhagalpur from 02-05-2023 to 06-05-2023.
- Dr. Anil Kumar Dubey, Assistant Professor, ECE Department attended a FDP on Open Source Tools for Research organized by NITTTR, Chandigarh 02-05-2023 to 06-05-2023.
- Mr. Shiv Narayan Gupta, Assistant Professor, ECE Department attended a FDP on Open Source Tools for Research organized by NITTTR, Chandigarh 02-05-2023 to 06-05-2023.
- Mr. Abhishek Kaushik, Assistant Professor, ECE Department attended an FDP on Open-Source Tools for Research organized by NITTTR, Chandigarh 02-05-2023 to 06-05-2023.
- Dr. Mukesh Kumar Ojha, Associate Professor, ECE Department attended a short-term course on AI & IOT in Biomedical Engineering organized by IIIT Bhagalpur on

06-05-2023.

- Ms. Rachana S Sisodia, Assistant Professor, CS- AIML Department attended a FDP on Cloud, Security and Artificial Intelligence organized by IT Vertical Industry Partner iNURTURE, Education Solutions from 25th May 2023 - 25th May 2023.
 - Mr. Piyush Uprety, CSE-IoT 3rd Year, won first prize in Abstract Presentation Competition organised by CPRC on 25-05-2023.
-

RESEARCH PAPER

- Dr. Mukesh Kumar Ojha, Associate Professor, ECE Department published a paper on Design and Optimization of 4-Bit Array Multiplier with Adiabatic Logic Using 65 nm CMOS Technologies in IETE Journal of Research, SCI, PP.1-14, 03-5-2023.
- Dr. Monika Dixit, Assistant Professor, ECE Department published a paper on The Challenge of E Paper Publishing: New Consumption and New Workflows in Recent trends in Analog Design and Digital Devices, Volume 6, Issue 1, 06-5-2023.
- Dr. Shipra Srivastava, Assistant Professor, CSE-IoT Department published a paper on Energy efficient IoT sensors network for smart farming, in IJRITCC, Volume: 11, Issue: 5 (Scopus Indexed), 18-05-2023.

STUDENTS ACHIEVEMENTS

- Nishchey Adarsh, ECE 3rd Year, won second prize in Abstract Presentation Competition organised by CPRC on 25-05-2023.
- Sonam Sirohi, ECE 3rd Year, won second prize (Best Theme) in Abstract Presentation Competition organised by CPRC on 25-05-2023.
- Mr. Roshan Raj, CSE-IoT 3rd Year, won first prize in Abstract Presentation Competition organised by CPRC on 25-05-2023.
